Dear Wes and Warwick,

I am writing to you both to let you know that two ~~xxxxx~~ FRETILIN leaders, Rano. Horta and another, will arrive at Dar in airport on Saturday November 30 for a tour of Australia. They will leave Darwin on December ~~2~~ 2 for Sydney. Could you :

1) Arrange a public meeting for them on Saturday Nov. 30 or Sunday December 1. Horta will write to you giving the name of other FRETILIN leader coming. It could be excellent if you could advertise the public meeting widely, through the name maybe of a committee (we call ourselves the Campaign for Independent East Timor) ,which maybe could be formalised at the public meeting. Horta will also send you names of Timorese living in Darwin you could especially invite.

Including play in NT Nes.

2) Arrange accomodation for the two of them, and for media interviews etc..

3) They will,I hope, have return air tickets with them. The part from Darwin return will be open. I will have booked their entire flight from Darwin and back ,but will need you to see that the booked flights are entered on their tickets. I'll write later giving you details.

4) They'll probably return to Darwin about ~~the~~ December 17 ,but that is not certain.

5) Maybe we could have a discussion at some length about aid to the co-operatives, or maybe could organise such a discussion with some in that field in Darwin who might be interested ?

Sorry for the commandist manner of this letter --but I'm flat out.

Please let's know what you plan and any information you might want.

Fraternally,

Denis Freney
